### Head's Message

As we rapidly head towards Easter this will be the last newsletter this term. We are still very busy though, so be sure to keep checking the website for updates. Can I say a huge thankyou to three ladies who have made kind donations towards the library re-vamp at St John's. Thank you to Gemma for the amazing cushions, to Angela for the superhero capes and to Becky for the superhero stickers. Finally may I take this opportunity to wish you all a blessed and peaceful Easter.

**Class 1 St John's** – This week we welcomed two quail chicks, with the children witnessing the second chick hatching! We have been looking at how to take care of animals using the RSPCA website and linking it to our own new chicks. In Literacy we have been writing sentences about the life cycle of a quail. We used sound buttons to record our sentences before writing them independently. In Maths we have continued looking at subtraction sums.

**Class 1 Pott Shrigley** – This week in Literacy, Class 1 have been looking at recount writing using the text 'Farmer Duck'. In Maths, we have been working with bar charts and inputting data to charts that we have drawn. In RE, we have been looking at Shrove Tuesday and Lent in preparation for our work on Easter next week.

**Class 2 St John's** – In literacy this week we have been writing recounts all about the exciting biodiversity day we had with Mrs Arnott. In maths we have been doing column subtraction and counting backwards. In IPC we have had our special biodiversity day in which we learnt about food chains, ecosystems and made our own beautiful animal masks.

**Class 2 Pott Shrigley** – Class 2 have loved looking at the play 'Macbeth' as part of Shakespeare Week. They have completed a character profile and a plot study. In Maths, we have explored problem solving using multiplication and division.

**Class 3 St John's** – We have looked at Classic Poem in English this week. We have looked at their features and tried to learn a poem off by heart. In Maths, we have looked at multiplication of fractions and converting improper fractions into mixed numbers. In RE, we have explored the characteristics and nature of God. Year 4 have attended the Eucharist service.

**Class 3 Pott Shrigley** – This week in Literacy, we have been reading and performing classic poems such as 'My Shadow' by Robert Louis Stevenson.
