End of Term Celebrations

- 2 x picnics to be organised with a weeks notice and promoted via Whatapp, also include new reception parents.
- Granelli's ice cream van booked for the last day of term.

3.

Outdoor Shelter

- Costings – wood prices and material prices in general are very high at present.

- Seek other quotes for materials.
- Change materials for more sustainable or cheaper alternatives.
- Time line needs to be discussed with Gary. Potential to start groundworks earlier?
- Volunteer group for groundworks with Gary leading.
- Solar power potential.
- Light sources inside as concern it may be too dark.
- Accessible path with disabled access.
- Sensory/Barefoot path.

Other business

- LS requested potential donation towards PSHE books – declined on this occasion as fundraising is currently being streamlined for the outdoor shelter.
- Waitrose cheque to be chased up.
- New constitution to be created, inline with any updates via ParentKind.
- 200 club – every quarter – specific dates to be set and adhered to, results can then be published alongside promotion of draws.
- Uniform exchange up and running – some donations but more to be expected at the end of term and throughout the holidays – we expect time to improve stock levels which will allow us to advertise to parents fairly. Parents updated once we have a suitable stock level, packages can be prepared and a couple of dates for parents to collect and browse during the summer holidays.
- Grants to continue to be applied for now and throughout the summer.

Last meeting of this academic year. New dates to be set and added to school calendar.
