Curriculum update

Class 1 St John's – This week we have been investigating which objects float and sink. We made boats using a range of materials and tested them to see which ones worked best. We enjoyed another Early Learning Links Session with Allsorts preschool who visited us as part of our long-term transition.

Class 1 Pott Shrigley – This week Class 1 have started to focus on a new story in Literacy, Hansel and Gretel. We have created a story map to look at the events in the narrative and acted out each scene. In Maths, we have looked at methods to add 3 numbers together and then applies this to different quantities of money. In IPC we have explored the history behind Neil Armstrong and why he was famous.

Class 2 St John's – In Literacy, we have been looking at the fable of the scorpion and the frog. In Maths, we have been doing multiplication and in IPC, we have been using glossaries to find definitions of words linked to frogs and scorpions.

Class 2 Pott Shrigley – Class 2 were treated to a visit by a Press Associated Journalist this week as part of their topic about newspapers. They turned the tables on Liam's dad, Mr Markham, who was on the receiving end of some searching questions. In Maths we have been looking at measuring and methods of formal subtraction.

We have also enjoyed writing poems for a RE competition and we had a great afternoon in our World War 1 workshop.
