If you would like your child to attend Science Club, JAM Club, Drawing Club or Gardening please complete the School Spider surveys which will be open from 7pm tonight (Wednesday 19th March). Surveys will close on Monday 31st March at 9am in order for registers to be prepared. Please note there are a limited number of places on the Gardening Club and Science Club and these will be offered on a first come first served basis. If we have a very high level of interest in both Gardening Club and Science Club the clubs will be split into 2 with Group A the first half term and Group B the second half term. We have also added a PTA led Netball Club.

Booster Clubs will continue as per the Spring Term – there is no need to complete a survey. Please note that there is only 1 x Monday Booster Club session though as the following week is a Bank Holiday.

Pick up for all clubs will be from the schoolyard with the exception of Drawing Club which will be from Reception's outside play area.
