

SAFEGUARDING- SCHOOL COUNCIL

By Ben, Harry, Angelica, Leo and Lucy.

WHAT WE DO?

- When the School Council meet, they talk about how we can make sure children are safe in school.
- We look at the following areas-
 - Internet Safety
 - Site safety
 - Anti- bullying (including cyber bullying)
 - Keeping children safe outside and inside of school

INTERNET SAFETY

- We checked school to make sure all classrooms have posters to help children be safe online.
- We know all children have learned the S.M.A.R.T. method of staying stay.
- S- Safe
- M- Meet
- A- Accepting
- R- Reliable
- T- Tell
- We have asked for all pupils to have their own passwords in school.
- We know not to share any images online that we wouldn't be happy for everyone to see.
- When children make mistakes about online safety, we REFLECT and LEARN from our mistakes.

SITE SAFETY

- We did a learning walk and we noticed all these things about our school site that keep us all safe.
- Thumb prints and codes for the door that only adults who work in school know.
- Visitors who come to our school always sign in.
- Children know to not speak to anyone not wearing a visitor badge and to report them to a trusted adult.
- We have fire doors, fire posters and registers and exit signs.
- We do regular fire drills.
- We have fences all around our school and in the day the gates are locked.
- We report any issues to our Health and Safety Officers, who will let Mr Morrall know so they can be resolved.

ANTI-BULLYING

- Being kind is included in all class rules/class contract.
- We are a No-Outsiders school- we celebrate diversity.
- We have assemblies on anti-bullying- sometimes school and sometimes PCSOs.
- We learn about cyber bullying as well as other types.
- Children are very good at looking after each other by reporting any problems to adults.
- If there are problems, we always try to talk them over, REFLECT and try to make AMENDS and MOVE FORWARDS.

KEEPING CHILDREN SAFE OUTSIDE OF SCHOOL

- Safety posters tells children who to speak to about any safety worries they have.
- Our SAFEGUARDING LEAD is Mrs Walker.
- Our DEPUTY SAFEGUARDING LEAD is Mrs Watson.
- Any member of our school staff will help you solve problems.
- We learn about looking after our bodies and consent.
- Parents have meeting to learn about Esafety.
- PSCOs do assemblies about-
 - Fire safety (Bonfire night)
 - Anti-social behaviour
 - Water safety
 - E-Safety
 - We have Road Safety Officers in school
